

In-Home
Alcohol & Substance Abuse Treatment
for Children and Adolescents

In-home, family-based treatment
for alcohol and substance abuse as
well as co-occurring disorders

Know the signs of underage
drinking and drug use:

Mood changes
Decreased interest in activities
Changes in health
Personality changes
Increased secrecy and lying to
family/friends
Personal time that is
unaccounted for
Changes in patterns with friends

We are here to help.

KVC

Kentucky

people matter

Almost 40% of American teens are affected by substance use. **Over half of those who experience substance use also have a co-occurring mental disorder.**

Our treatment plan prioritizes both the substance use disorder and the mental disorder.

Our Case Management team will help increase natural supports for the client within the school, community and home settings to help promote positive changes in the client's environment and habits.

Make a Referral

To make a referral for KVC's Alcohol and Other Drug Entity Treatment Program, visit kentucky.kvc.org, call 859-254-1035, or email KYReferrals@kvc.org.

*We accept clients with **Humana, Anthem, Passport, and Coventry** Medicaid coverage as well as private pay.*

KVC is a 501(c)3 nonprofit welfare and behavioral healthcare organization.
