

KVC Kentucky is a private, nonprofit organization that provides in-home behavioral healthcare, youth substance abuse treatment, foster care, and in-home family preservation and reunification services to strengthen families.

Over the last year, we helped people in many ways:

2,504

families received family preservation services

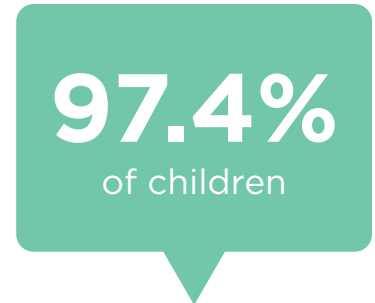

46 children cared for by KVC foster families

1,224

children and adults benefited from behavioral healthcare services

were maintained safely with or reunited with their families after receiving family preservation and reunification services
