

SEASON OF Nourishment

 KVC Kentucky
We all need connection.

Help Kentucky Families Stay Fed This November

The federal shutdown has paused SNAP funding, leaving families across Kentucky struggling to afford groceries. At KVC Kentucky, most of the families we serve rely on SNAP for daily meals and stability. Without it, hundreds face unexpected hardship. **Our goal: Support the 3,200 individuals we serve each month, 81% of whom are TANF/SNAP eligible, so no family goes hungry.**

How You Can Help:

- Donate non-perishable food items
- Drop off at KVC Kentucky, 2250 Thunderstick Drive, Lexington KY: Monday–Friday, 8 a.m.–4 p.m. throughout November
- Give grocery store gift cards so families can purchase fresh food
- Host a local food drive with your workplace, school, church or community group and drop off collected items at KVC Kentucky
- Or donate online - scan QR code to help families in need

“Your support can turn a season of uncertainty into one of hope and nourishment for Kentucky families”
