

# Our Annual Impact

*We all need connection.*

In 2025,  
we helped people in many ways:

**22,101** individuals served  
in over 80 counties

## KVC KENTUCKY

has been a dedicated private nonprofit organization that strengthens families, prevents child abuse and neglect, and helps both children and adults achieve mental health wellness. Our services include family strengthening services aimed at safely preventing the need for foster care, mental and behavioral healthcare and substance use treatment. KVC is unique in providing services in families homes and communities in addition to virtually to help remove barriers and make help convenient and accessible.

**9,844**

children received family strengthening services aimed at safely preventing foster care

**3,655**

children in 2,094 families were served through innovative Jefferson County child welfare services in partnership with the state

**1,804**

children and adults received behavioral health services aimed to enhance mental health and improve wellbeing

**31**

Mothers provided with critical EMBARK services including integrated care coordination, essential resources and parenting skills

**97%**

children reunified or preserved in their natural family after completing family preservation and reunification services
